The club house has been painted inside and outside trim, ceiling tiles replaced now that the roof leak has been repaired. Jerry Rice repaired the water supply line. The ice maker in the frig. is working. New TV/book shelves have been installed. Expansion wood on the patio has been replaced. Work to be done throughout the season include parking lot lights and new LYC club and private property signs.

Don't forget to log in your work hours in the binder located in the clubhouse.

### Rear Commodore – Jerry Rice:

All slips and jetski pilings are paid for. There are only a couple of repairs to complete for the season. Thanks to the volunteers who worked on the dock.
