Meeting Minutes

Harald opened the meeting. Now that it is the height of the hurricane season, it is critical that all of the members' contact information is up to date if it is necessary to get in touch with you before, during and after severe weather.

Herald announced that Gary Vineyard will be the Parade of Lights chairperson. We will again collect Toys for Tots, and turn them over at the parade. Donations of new unwrapped toys will be gratefully accepted at the October and November meetings.

There was discussion about the hydrilla again this month. Charlie Wilkerson connected with someone who had a federal grant to remove some of the hydrilla around the some of the slips. Will have to keep an eye on the growth next year to keep on top of it.

Vice Commodore – Gary Farrell:

The sliding glass door has been repaired. We needed another pump out, so will keep a watch out. There may be a toilet issue. There is a small leak above the kitchen sink. The gutter was cleaned out and hopefully that will solve the problem.

Check the work schedule on next page for your work assignment month.

Rear Commodore – Jerry

Rice: The dock is in great shape. Thanks to members who spent many hours pulling out the hydrilla.
