Meeting Minutes

Commodore – Gary Farrell

It's that time of year again and Andy Myruski and Paul Wireman are in charge of the 2007 board nominations. Our club depends on volunteers to make it a success and serving on the board is a great way to do that. They will be going around and asking if you can serve in one of these positions. The slate for 2007 will be presented at the October meeting. At the November meeting, nominations from the floor will be accepted. At the December social, the voting and swearing in will take place.

Paul Mussey will take over managing the club's web page. Thanks Paul.

Harold reported that the club's street address is: 390 Paynes Lane. Please use this address when calling 911.

Vice Commodore – Jerry Rice

Thank you to everyone who helped out during and after tropical storm Ernesto, especially to the brave folks to saved the jet skis, and did emergency tying up of the boats. Luckily, only 2 boats and several jet skis sustained damage, a couple of jet ski lifts came off their pilings, and there was some dock damage.

Ron had the lawn mower that Bobby donated repaired. Marty donated crab pots.

Be sure to get your work time in to stay up-to-date for slip assignments next year. Thanks again to all!

Rear Commodore – Ron Cheek

The damage that the dock sustained included flooded electrical boxes and the water pump was submerged. They were attended to quickly, dried out and are in working order.

Fleet Captain – Gary Vineyard

October 7, 8 and 9 are the dates for the Frostbite Cruise to Olversons. We'll get a report at the October meeting.

Secretary – Suzanne Auble (Acting)

Dyan has informed the Board that she cannot finish her term as secretary. The board asked Suzanne Auble to volunteer to stand in and finish her term.

Treasurer – Pat Jones

Our checking account is in the black and all bills have been paid.

A \$25 donation was made to the Children's Hospital Research Center in memory of Nancy Jo Barr, who passed away recently.

Membership – Nancy Vineyard

One new application was submitted. Tonyia and Trevor Young introduced Darren and Rachel Hill. They will be voted on at the October meeting.

Programs & Attendance – Peggy Myruski

October's meal is Oysters and Stew. Another of our very favorites! If you didn't sign up for the meal, please let Peggy know as soon as possible. If you plan to have oysters, the price will be around \$12 per person and \$6 per person if you plan on NOT having oysters. Of course, if you pay \$12, you get to eat oysters and stew, and everything else also.

New Business:

Peggy Myruski is taking discounted applications to BJ's. The cost is \$20.

A show of hands was taken to see if the club should purchase new clubhouse chairs. It was suggested that each family donate the cost of one chair. More on this later.

A suggestion was made to getting a better first aid kit, one that has supplies for more severe injuries. Also, look into the possibility of getting a marine radio for the club.

Charlie Fields suggested that the club look into bigger and better fire extinguishers.

Old Business: The club now has new, secure trash cans. Hopefully, they will keep the critters from getting into the trash.

Welfare Concerns:

Mari Anne broke her wrist while at home, but is on the mend.

Doris had a boating accident and lost the tip of her finger. The rescue squad arrived to help quickly once they knew how to get to the club. We wish them both well

Marty Rodriguez thanked everyone who sent cards and called during his recovery. Of all the help and concern

the family received, 95% came from club members.

Charlie Wilkerson thanked everyone who helped out when Doris had her boating accident.
