Commodore – Gary Farrell
“The Landmark Yacht Club Fleet is declared in commission for the 2007 boating season!!!!” Those words announced by Fleet Captain Gary Vineyard came on a picture perfect afternoon. We enjoyed fantastic weather, a good turnout of members and their guests and great food. Our guest speaker, Ed Smith from PRYCA, shared with us his knowledge of Yacht Club Burgees and how they came to be. Cannoneer, Ray Bowser, fired a round that could be heard up and down the river! Many ears are still ringing! The program for Flag Raising will be posted on the LYC website for anyone who would like a copy. Thanks to all who participated! The day was a great success!

Vice Commodore – Jerry Rice
To all of you who posted early Saturday and pitched in....Thank you! The grounds looked really festive. The American flags along the walkway really set the scene. The clubhouse and grounds looked like they were ready for a party!!!!

Rear Commodore – Ron Cheek

Great Flag Raising! Now that the boating season has officially started, let me be the first to invite you to a deck (dock) party. All hands needed on **Saturday, June 2nd at 9:00 a.m.** to do repairs to our dock. The more the merrier and the faster it all gets done! (Not really a party.....but definitely an adventure!!!)

JUST FOR FUN!

Steamboat Captain brought his son along on a short cruise upriver to show him what he does for a living. All the kid wanted to do was steer the boat. Insisting that his father taught him enough to handle the job he asked the pilot to let him take the helm.

“Okay”, said the pilot , “but you must pass a small test first. If I asked you to turn to the left, what nautical term should I use?”

“Turn to Port”, said the boy.

“Correct”, said the pilot.

“If I wanted you to turn the boat to the right, what direction would that be?” “Starboard”, said boy grinning from ear to ear. “Good for you”, said the pilot.

“And straight?”, asked the pilot.

The boy quickly replied,
“ Without ice!!!!”
