Commodore – Jerry Rice

Thank you to Darrell Edgar, Commodore of the PRYCA for attending our meeting and personally handing out the Safe Boater Certificates to many of our members. Congratulations to those members who participated and completed the course!

Thank you to all members that showed up for the work day. Your efforts really show nicely.

There is a speed limit of 5 to 10 MPH on Paynes Lane. It is a private road. The owners of this road and some of our own members have made complaints to the Board that a few members and guests are speeding down the road. This is a reminder to all members and members need to inform their guests to SLOW DOWN!!!! There are children and neighbors who share this road. If there is a complaint about any member or guest, that individual may be asked to leave the entire property on Paynes Lane. Thank you.

Vice Commodore – Ron Cheek
