Commodore: Robert Cook

Thanks to everyone who turned out to clean up after the shore damage from the severe weather on April 16th. Also thanks for everyone's understanding in the rescheduling of the April meeting from April 16th to April 30th. Safety of our members was our priority! Some did not get the word in time and did show up on the 16th and they will be counted as having attended the April meeting. Thanks for the excellent attendance on April 30th!

Vice Commodore: Chevy Rice

We Dodged a Bullet ...

Thanks to Marty & Lamar Rodriguez, Mary Anne Christiano, Mike Hurlburt and Jerry Rice for helping me get the club grounds back to normal after all the shore damage and debris left behind from the storm. I am so glad that the Board made the decision to postpone the club meeting that particular day!!! A fantastic Bonfire was enjoyed by all!!!

We had Sam Homrighausen's Memorial Service May 14th at 2 PM. We will always remember Sam.

LYC Flag Raising is May 21st at 1 PM. Please plan to attend this wonderful annual event!!! Let Elaine know if you will be in attendance so that we will have plenty of food and non-alcoholic beverage for all!!!

The work schedule is attached. Please check your work month and please participate! We need volunteers to get the grounds ready.

Rear Commodore: Ken Sigler

The docks are in good shape. Pilings are being added/replaced and are looking good. There may be a workday called soon to replace decking. The slips are all assigned and waiting on boats to take their place for a fun season!

Delicious steak and wonderful company made for a great time at the April 30th meeting!

Fleet Captain: Jerry Rice

Cobb Island's Kick Off to Summer Party will take place June 18-19. A lot of fun and adventure!!!! We are on our way to the PRYCA 2011 Float-In at Coles Point and the "After Float-In" Cruise!!!!!!

We will keep our destinations within the Potomac....Points of interest are White's Marina, Kinsale, Olversons, Corinthian, St. Mary's and Colonial Beach. I will meet with members wishing to extend the Float-In and cruise on to these possible destinations.

If you choose to come along or join us at any destination....we welcome you and your input is much appreciated!!!!

Chevy and I attended Aquia Yacht Club's Flag Raising and Blessing of the Fleet. Docks are brand new, place looks beautiful and they are ready to have boaters float by for a great weekend. Think about making Aquia one of your destinations!!!!

I have completed compiling and reformatting the 2011 LYC Roster and hopefully it is a little easier to review. Anyone in need of a copy please let me know. There is also a copy posted in the members only section of the LYC website which is password protected.

Note: Please do not post any roster information anywhere on the internet or on any social networking sites - this has been brought up as a concern and this is just a reminder. If you have news, suggestions or ideas on how to communicate better ... please let me know!

Because of these concerns I will *not* be looking into building us our own "Groupsite" - not anytime soon, anyway.

All bills are paid, looking forward to the new boating season!

**Membership:
Gail Sims**

We would like to warmly welcome our newest members into LYC who were voted on at the last meeting. Our new members are Nancy Hendrickson, Mark and Jennifer Johnson, and Marco and Cindy Davis.

Sorry folks ! I'm so into this month I'm fuzzy about April ! God bless Sam and his family. I know we honored them in a way that makes Landmark Yacht Club proud and his family glad that he was such a big part of it !

PRYCA Delegate: Angelo Christiano

You have until July 3rd to send in your reservations for the PRYCA float-in at Coles Point, 15 to 17 July 2011.

**Angelo hard at work helping to
prepare the awesome dinner !**

**CBYCA Delegate:
Mike Hurlburt**

Governor of MD reports that management efforts for crabbing has resulted in Blue Crabs in the Bay and Potomac River being at their highest levels since 1997. So a good year for crabs !!! CBYCA has authored a position paper on E15 fuel. They want guidelines issued for boaters on how to avoid damage to marine engines.

New Business:

Gift cards to be used to purchase lumber, tools for yard care, spider spray, etc.
